

Use AppleWorks?

You can get a DOS 3.3 System Disk — free!

Here is a special offer for Trackstar owners from

Diamond Computer Systems

and the

National AppleWorks Users Group

If you use AppleWorks, you should join the **National AppleWorks Users Group**. NAUG members enjoy the following benefits:

- The *AppleWorks Forum*, the world's largest AppleWorks newsletter.
- Free telephone technical support from more than 150 NAUG consultants.
- Reduced prices for AppleWorks seminars and products.
- A free account on NAUG's AppleWorks bulletin board.
- Access to NAUG's Public Domain Library of hundreds of AppleWorks templates.

NAUG membership costs \$27 per year and your *satisfaction is guaranteed*.

Diamond Computer Systems has arranged a special NAUG membership offer for Trackstar owners. Join NAUG today and you will receive a free DOS 3.3 System Disk.* The System Disk includes DOS 3.3, BASIC, FID, COPYA, and all the Apple utilities you need to create and run DOS 3.3 programs with your Trackstar. This disk is available from NAUG under special license from Apple Computer, Inc.

*If you already have a DOS 3.3 System Disk you may substitute a free copy of NAUG's Public Domain Catalog that describes the hundreds of AppleWorks templates in the NAUG Library.

Support For AppleWorks Users

Join the **National AppleWorks Users Group (NAUG)** and you will receive the *AppleWorks Forum*, the world's largest monthly AppleWorks newsletter. Articles in the *AppleWorks Forum* help you use the power and flexibility of AppleWorks, suggest new uses for the program, answer frequently asked questions, and review software and hardware accessories that enhance AppleWorks.

The group maintains an electronic bulletin board to help you get answers to your questions about AppleWorks. The bulletin board also offers an extensive on-line library of files, which include spreadsheet and data base templates to help with your taxes and financial records.

NAUG maintains a library of hundreds of public domain templates that work with AppleWorks. These templates are submitted by members, reviewed by AppleWorks experts, and collected on disks maintained by the group's public domain librarian.

In cooperation with Diamond Computer Systems, Trackstar owners who join NAUG will receive a free copy of NAUG's DOS 3.3 System Disk. This disk includes DOS 3.3, BASIC, FID, COPYA, and other useful utilities.

Membership in the **National AppleWorks Users Group** only costs \$27 a year. To receive your one year subscription to the *AppleWorks Forum*, all the benefits of NAUG membership, and your free disk, send \$27 to:
